

E Lynch and Sons Ltd

Position: Digger Operator

Due to expansion, we require CPCS 360 digger drivers to work on our sites. Must have a minimum of 2+ years' experience. The person must be flexible and willing to work overtime when required.

Responsibilities that the Excavator Operators will have are:

- Excavating, locating, and identifying utilities.
- Safe operation of excavators (5 tons and above).
- Maintaining a safe job site.
- Communicating effectively with colleagues and the public.

Desirable/Essential criteria:

- A high school degree or equivalent (GED) is preferred.
- Knowledge of ground works operations.
- At least 2 years of experience operating an excavator.
